

*Lay back in the arms
of someone*

If you want my sympathy
just open your heart to me
and you'll get whatever
you'll ever need.

You think that's too high for you
oh baby, I would die for you
when there's nothing left
you know where I'll be.

Lay back in the arms of someone
give in to the charms of someone
lay back in the arms of someone you love.
Lay back in the arms of someone
when you feel you're a part of someone
lay back in the arms of someone you love.

So baby just call on me
when you want all of me
and I'll be your lover
I'll be your friend.

And there's nothing I won't do
'cause baby I just live for you
with nothing to hide
no need to pretend. Oh, oh ...

Lay back in the arms of someone
give in to the charms of someone
lay back in the arms of someone you love.
Lay back in the arms of someone
when you feel you're a part of someone
lay back in the arms of someone you love.

Oh I know, you think that's too high for you
oh baby, I would die for you
when there's nothing left
I'll be with you. Oh oh ...

Lay back in the arms of someone
give in to the charms of someone
lay back in the arms of someone you love.
Darling ...
Lay back in the arms of someone
when you feel you're a part of someone
lay back in the arms of someone you love.
Oh yeah
Lord, I know

*Lay back in the arms
of Jesus*

If you want his sympathy
just open your heart to him
and you'll get whatever
you'll ever need.

You think that's too high for you
oh baby, he has died for you
when there's nothing left
you know where he'll be.

Lay back in the arms of Jesus
give in to the charms of Jesus
lay back in the arms of Jesus who loves.
Lay back in the arms of Jesus
when you feel you're a part of Jesus
lay back in the arms of Jesus who loves.

So baby just call on him
when you want all of him

he'll be your friend.
