

Hymn

// Valley's deep and the mountain's so high
// if you wanna see God you've got to move on the other side
// You stand up there with your head in the clouds
// don't try to fly you know – you might not come down
// don't try to fly near God – you might not come down

Jesus came down from heaven to earth
the people said it was a virgin birth
Jesus came down from heaven to earth
the people said it was a virgin birth
the people said it was a virgin birth

He told great stories of the lord
and said he was the saviour of us all
He told great stories of the lord
and said he was the saviour of us all
and said he was the saviour of us all

For this we killed and nailed him up high
he rose again as if to ask us why
Then he ascended into the sky
as if to say in God alone we soar
as if to say in God alone we fly

// Valley's deep and the mountain's so high
// if you wanna see God you've got to move on the other side
// You stand up there with your head in the clouds
// don't try to fly you know – you might not come down
// don't try to fly near God – you might not come down

// Valley's deep and the mountain's so high
// if you wanna see God you've got to move on the other side
// You stand up there with your head in the clouds
// don't try to fly you know – you might not come down
// don't try to fly near God – you might not come down
