

## If you leave me now

If you leave me now  
you'll take away the biggest part of me  
ooh no Jesus please don't go

And if you leave me now  
you'll take away the very heart of me  
ooh no Jesus please don't go  
ooh God I just want you to stay

A love like yours this love it's hard to find  
how could I let it slip away  
I've come too far to leave it all behind  
help me to end it all this way  
then tomorrow comes and we both replay  
the things we said today

A love like yours this love it's hard to find  
how could I let it slip away  
I've come too far to leave it all behind  
help me to end it all this way  
then tomorrow comes and we both replay  
the things we said today

If you leave me now  
you'll take away the biggest part of me  
ooh no Jesus please don't go

Ooh God I just got to have you by my side  
ooh no Jesus please don't go  
ooh my God I just got to have your loving
