

# When I need you

// When I need you  
// I just close my eyes and I'm with you  
// and all that I so wanna give you  
// it's only a heartbeat away

\ When I need love  
\ I hold out my hands and I touch love  
\ I never knew there was so much love  
\ keeping me warm night and day

Miles and miles of empty space in between us  
A fantasy can't take the place of your smile  
but you know I won't be suffering forever  
It's cold out but I'll hold out  
and do like you do

// When I need you  
// I just close my eyes and I'm with you  
// and all that I so wanna give you  
// it's only a heartbeat away

It's not easy when the wheel is your driver  
Honey, that's a heavy load that we bear  
but you know I won't be suffering a lifetime  
It's cold out but I'll hold out  
and do like you do

\ When I need love  
\ I hold out my hands and I touch love  
\ I never knew there was so much love  
\ keeping me warm night and day

When I need you  
I just close my eyes  
and you're right here by my side  
keeping me warm night and day

I just hold out my hands  
I just hold out my hands  
and I'm with you darlin'  
Yes I'm with you darlin'  
All I wanna give you  
it's only a heartbeat away  
Oh I need you darlin' ...
