

## You're so vain

You walked into the party  
Like you were walking onto a yacht  
Your hat strategically dipped below one eye  
Your scarf it was apricot  
You had one eye in the mirror  
As you watched yourself gavotte  
And all the girls dreamed that they'd be your partner  
They'd be your partner  
and

You're so vain  
You probably think this song is about you  
You're so vain  
I'll bet you think this song is about you  
Don't you, don't you!

You had me several years ago  
When I was still quite naïve  
Well, you said that we made such a pretty pair  
And that you would never leave  
But you gave away the things you loved  
And one of them was me  
I had some dreams they were clouds in my coffee  
Clouds in my coffee  
and

You're so vain  
You probably think this song is about you  
You're so vain  
I guess you think this song is about you  
Don't you, don't you!  
I had some dreams they were clouds in my coffee  
Clouds in my coffee  
and  
You're so vain  
You probably think this song is about you  
You're so vain  
I'll bet you think this song is about you  
Don't you, don't you!

Well, I hear you went up to Saratoga  
And your horse naturally won  
Then you flew your Lear jet up to Nova Scotia  
To see the total eclipse of the sun  
Well you're where you should be all the time  
And when you're not you're with  
Some underworld spy or the wife of a close friend  
Wife of a close friend  
and

You're so vain  
You probably think this song is about you  
You're so vain  
I'll bet you think this song is about you  
Don't you, don't you!

## Meine Version

You walked into the country  
Like you were coming straight from the sun  
You blinded them all, the blacks and whites  
Your camera smile had won  
You had one eye in the mirror as  
You watched yourself gavotte  
And all the folks dreamed that you'd be their hero  
You'd be their hero  
but

You're so vain  
You probably think this song is about you  
You're so vain  
I'll bet you think this song is about you  
Don't you, don't you!

You fooled us several years ago  
When we were still trusting you  
Well, you thought that we'd sleep on for evermore  
And no one would unveil you  
But you underestimate us all  
'Cause we all search for the truth  
We have some dreams but you're not our hero  
Not our hero  
'cause

You're so vain  
You probably think this song is about you  
You're so vain  
I guess you think this song is about you  
Don't you, don't you!  
We have some dreams but you're not our hero  
Not our hero  
'cause  
You're so vain  
You probably think this song is about you  
You're so vain  
I'll bet you think this song is about you  
Don't you, don't you!

Well, I hear you used to have a lot of fun  
The things that are fun for you  
But don't forget there are the other ones  
Who will finally overthrow you  
Then you'll be where you should be all the time  
And that is certainly not  
With these good guys and a such friendly people  
Such friendly people  
'cause

You're so vain  
You probably think this song is about you  
You're so vain  
I'll bet you think this song is about you  
Don't you, don't you!
